The brand new purpose built Parkridge Homes Marketing Suite, is set to open next week at Waterside, Dickens Heath Village Centre, Solihull.

Monday 16th October marks the opening of the suite, located in an ideal position providing an excellent base to showcase the luxury selection of 1, 2 & 3 bedroom apartments and penthouses, overlooking the Stratford – upon – Avon waterway, nature reserve and Solihull countryside beyond.

The new Marketing Suite is particularly spacious, incorporating a dedicated seating area where visitors can relax in a comfortable environment. Here the Sales team Geri, Martine, John, Sandra and Gavin look forward to welcoming you to discuss and see at first hand the many benefits of living at Waterside. Trouble free car parking is provided, with the new suite being an ideal first port of call from which to find out more about this prestigious canalside development.

The new venue replaces the Parkridge Sales and Marketing Suite located within the John Shepherd estate agency office on Main Street, Market Square. Geraldine Wilson, Parkridge Sales Manager commented: "The new venue places the Marketing Suite in idyllic surroundings overlooking the impressive water feature and crucially is very convenient for visitors and those who want to gain more information, with a visit to any one of our three Show Apartments only a moment away."

Waterside combines classic design and modern styling, resulting in a unique contemporary location. The development is perfectly located for excellent shopping, dining and leisure facilities just a short walk away at Market Square, and is the second of three phases that will create a seamless 21st century Village Centre. This stunning development is set within the heart of the Solihull countryside, yet provides all the feeling of contemporary city living.
