## Dickens Heath Fete raises £1000 for children's charity

This year's Dickens Heath Village Centre Summer Fete, held on Saturday 14th July 2007, has proved to be a real success with over four thousand people attending and £1000 being raised, the proceeds of which are being donated to the Variety Club children's charity.

The fete played host to a variety of attractions which kept adults and children entertained, attractions including a circus workshop, a falconry display, a bucking bronco, a raffle and a balloon race ensured fun was had by all.

Stephen Goldstein, Variety Club committee member and former Chairman for the Midlands region said: "The Variety Club has been helping sick, disabled and disadvantaged children for over fifty years by providing them with wheelchairs, exciting days out and hospital equipment. We really can't thank Dickens Heath Village Centre and Parkridge Homes enough for organising such a wonderful event and in doing so raising crucial money for the charity."

John Knott, event organiser said: "We are delighted that so many people attended this year's fete, it was a wonderful day which was enjoyed by the whole community.

"We would like to thank visitors for coming along and helping raise money for such a worthwhile charity."
